

## Privacy Policy - Bug Report App

=====

Last updated: June 08, 2025

This policy explains what data we collect, how we use it, and most importantly - where your data goes.

### Your Data, Your Device

-----

Our app collects certain data to help you understand your device usage and permissions. But here's the key part:

- **\*\*Your data stays on your device.\*\***
- We **\*\*do not send\*\*** your personal data to our servers or any third parties.
- You control what is collected and can delete it at any time.

### What We Collect

-----

With your permission, we may access:

- Your contacts (to check permission status)
- Your location (to log approximate position when active)
- Installed apps and usage stats (to show trends)
- Clipboard and IP (to inform what's visible to other apps)

### Platform-Specific Notes

- 
- On **Android**, permissions are requested explicitly and can be changed anytime via device settings.
  - On **iOS**, certain data like app usage is not available due to system restrictions.
  - All data collection is **on-device only** - no remote storage or analytics is involved.

## GDPR & Local Laws

---

If you're in the EU or regions with privacy regulations:

- We do **not track, store, or process** your data remotely.
- No profiling or ad targeting is done using your data.
- You can **export or delete** all collected data anytime.

## Updates & Contact

---

We may update this policy to reflect changes in features. We'll always notify you in the app.

If you have any questions, contact us at: [dalimbo027@gmail.com](mailto:dalimbo027@gmail.com)

Your privacy matters. That's why our app is designed to keep your data yours.
